

Skin & Body

RENEWAL NOW ON YOUR DOORSTEP!

Illovo Centre is now home to a new luxury branch of the leading non-surgical, anti-ageing specialist clinic - Skin & Body Renewal.

QUALIFIED CARE
Skin & Body Renewal is steered by the founder Dr Maureen Allem. She has a team of 12 cosmetic doctors who all specialise in aesthetics. They are supported by a staff of qualified and experienced technicians, nurses and therapists. Illovo branch manager, Cara de la Port, is there to welcome all its clients and to make sure all their aesthetic and beauty needs are taken care of.

MODUS OPERANDI
Every client receives a full consultation with a cosmetic doctor to assess and discuss their aesthetic needs. A customised treatment package, suited to the client's pocket, is then recommended for the most effective results.

TREATMENT OFFERING
Skin & Body Renewal offers an extensive range of facial anti-ageing and body treatments. The most sought-after is the non-surgical 3D Liquid Facelift which includes carefully placed Botox® and dermal fillers. Combined with anti-ageing, skin tightening lasers and skin resurfacing, this holistic treatment can take years off a person's appearance. Treatments for conditions such as acne, pigmentation, scars and rosacea are also offered. Then there is a full range of body rejuvenation treatments. These include weight loss, body sculpting, cellulite and stretch mark reduction, hair removal and a medically based weight loss programme. Check out the Skin & Body Renewal website (www.skinrenewal.co.za) for all treatments and prices.

TRACK RECORD and CLIENTELE
Skin & Body Renewal has a phenomenal track record with well over 50 000 clients since it opened its first branch in 2005. Its clients include men and women, mostly from the age of 30 upwards, who are looking to increase their self-esteem with a more youthful appearance and an improved body image.

If it is pampering you are after, the new Illovo branch boasts Skin & Body Renewal's signature Oasis Spa offering indulgent head-to-foot beauty packages.

RADIANT LOYALTY PROGRAMME
A generous three tier loyalty programme is offered to all Skin & Body Renewal's clients. It is the clinic's way of expressing its appreciation for loyal patronage. Even birthdays are celebrated with a special treatment gift. Clients can work their way up from Jade, to Pearl, then Diamond status and enjoy the spoils of being a Skin & Body Renewal VIP.

SKINCARE PRODUCTS
Skin & Body Renewal offers a vast range of carefully selected skincare and sun protection products. The highly trained therapists are on hand to recommend a skincare range specifically suited to each client. They look forward to assisting you with your non-surgical beauty needs.

Pop in to the clinic on the first floor of the Illovo Centre or call 011-268-1297 and ask for Cara.
