Cream of the Crop

PRE-TREATMENT

Amp up your aesthetic treatment results by prepping your skin with the correct serums, creams and gels beforehand

POST-TREATMENT

Cosmeceuticals designed to soothe, re-hydrate and heal the skin after embarking on aesthetic procedures

Environ Intensive Super Moisturiser+

Super Moisturiser+ is the secret to intensive skin rescue. Formulated with a unique cocktail of scientifically researched ingredients, this luxurious cream provides your skin with intensive long lasting

moisture, leaving it looking smoother and soft to the touch. Super Moisturiser+ also contains essential antioxidants and vitamins C and E. This further assists in shielding and protecting skin from the effects of a modern lifestyle, thereby enhancing its radiance.

RRP: R280 (50ml)

Buy: For stockists: tollfree@environ.co.za

Lumixyl Topical Brightening Crème

Lumixyl can be used by itself or in combination with other products. It is used for various skin conditions such as melasma, age spots, sun spots or liver spots, photo-

damage from sun exposure, post-inflammatory hyper-pigmentation, uneven skin tone, and hyper-pigmentation caused by systemic disease or prescription medicines. Lumixyl works especially well in darker/ethnic skin types.

RRP: R1000 (30ml)

Buy: For stockists: www.genop.co.za

Colorscience® Range

Colorscience® sets the standard for 100% healthy colour cosmetics. Breathable, bendable and

luxuriously soft, the colours feature custom-refined minerals and nutrient-intensive ingredients. Doctor-recommended and make-up artist requested, the makeup is meticulously formulated to include protective sun care and nourishing skincare in every product.

RRP: Products priced from R419

Buy: Sold at all Skin & Body Renewal clinics, Noviskin, & Precision Aesthetics or email aesthetics@nuangle.co.za to find a stockist.

Lycogel Breathable Camouflage SPF30

Lycogel promotes post procedure healing and soothes sensitive skin while rejuvenating and camouflaging at the same time. The revolutionary and unique technology combines a breathable Triple Silica gel base and LYCO-Complex, a carefully

balanced set of bioactive agents that work synergistically to improve the conditions of the skin. Available in 12 shades to suit most skin types.

RRP: R850 (20ml)

Buy: For stockists: www.genop.co.za

Dermaquest Stem Cell Rebuilding Complex

Stay strong with Stem Cell Rebuilding Complex, created with proteins and plant stem cells that soften and enhance distressed skin. While promoting collagen production, the serum protects and nurtures healthy skin cells. This makes it an ideal addition to your regimen, both pre-and post-professional treatment.

RRP: R990 (30ml)

Buy: Strictly doctor prescribed only; leading plastic surgeons, medi-spa's and aesthetic GP's country wide. www.evolutioncosmetic.co.za for a stockist, or call 011 325 5849

Obagi Professional - C serum (10, 15 or 20%)

Helps protect against the signs of skin damage with a powerful antioxidant vitamin C. Obagi Professional - C offers many useful benefits: it helps minimise the appearance of fine lines and wrinkles, calms

inflammation, brightens skin, retains moisture, enhances UV protection and stabilises vitamin E.

RRP: From R700 - R1000 (incl. VAT) area dependent (30 ml)

Buy: Contact iNova Pharmaceuticals for a list of stockists: 011 087 0000

Dermafix MD Prescriptives Intensive Scar Repair

Intensive Scar Repair is a rich emollient, combining copper peptide with a series of clinically proven active dermatological ingredients that boost your natural

production of both collagen and elastin. A soothing, healing formulation for optimized results after laser resurfacing, dermabrasion, chemical peels and any advanced treatments.

RRP: R765 (150ml)

Buy: Find a stockist: www.dermafix.co.za

optiphi® Post-Peel Travel Set

Experience optimal results after your rejuvenating skin peel by applying the correct Active optiphi® products. The pH balanced Facial Cleanser will calm the skin,

while the Ageless Activegel is designed to soothe inflamed skin and trigger the correct skin sequences to promote rejuvenation. The Moisture Control Lint will re-hydrate the skin, and the Dermintense Activegel is an anti-ageing serum that will absorb quickly and reinstate your skin's balance the optiphi® way.

RRP: R850

Buy: List of stockists: www.optiphi.com

iS Clinical Youth Serum by Innovative Skincare

YOUTH SERUM is the product that turns back the clock on ageing skin. This clinically-proven formula is designed to give skin the best of both worlds: instant smoothing and tightening, with wrinkle reduction over time. As we age, we lose collagen; the vital connective fibres that give our skin its youthful resilience. YOUTH SERUM rebuilds lost collagen, with the targeted growth factors, antioxidants, intelligent proteins, and extremozymes.

RRP: R1770 (30ml)

Buy: List of stockists: info@innovativeskincare.co.za

dr.dermal Cosmeceutical Range

dr.dermal products are designed to fulfil the needs of prematurely ageing South Africans who are looking for formulations that are competitively priced. These innovative products (which are suitable for all skin types) are designed to be used together to maximise results.

RRP: Individual product prices vary

Dermalex Repair Rosacea & Couperose

Dermalex is a clinically proven skin care range which has been developed by leading European dermatologists to aid in the relief of rosacea, psoriasis and eczema. This product is ideal for post peel and

laser treatments to calm redness - restoring the skin while soothing, calming and moisturising affected areas.

RRP: R230 - R265 (30g)

Buy: Clicks and all leading independent pharmacies without a prescription. Or buy online from www.dermalex.co.za

ScarScience®

ScarScience was developed by a team of plastic surgeons, and is a unique scar management programme

scientifically formulated to improve the outcome of a scar. It addresses key issues in scar management, including collagen maturation, moisture and hydration, controlled inflammation and physical support with microporous tape.

RRP: R130 - R150 (15ml and 50ml)

Buy: Pharmacies and some aesthetic clinics
