

## ■ Turn Back Time

Renowned dermatologist and anti-aging expert, Dr Stefan Duve, is the brain behind the award-winning Doctor Duve Medical Skin Care line, which was developed in Germany and is now available in South Africa through a carefully selected group of top skincare clinics. The Doctor Duve Medical Skin Care Line caters to both women and men who are seeking a highly effective anti-aging solution for the face and body. The range provides effective solutions to specific skin problems; regenerates

stressed and mature skin; calms sensitive skin; and restores the balance to skin prone to blemishes and redness.

The Doctor Duve line is available through Skin Renewal's 16

clinics nationwide. For more information, visit
