

## Interview with Skin Renewal founder Dr Maureen Allem by Suzanne Styles

### The Skin Renewal Story

I loved chatting to Dr Maureen Allem of Skin Renewal on The Success Show last week. Since 2005 she has built a phenomenally successful business and during this hour long interview with Chris and I, she and her business and life partner tell how they did this.

Says Dr Allem: "Our integrated approach makes this company special. There's no other anti-ageing company in South Africa that tackles ageing and the development of self-esteem from as many facets as we do. Our continuous investment in the latest anti-ageing technologies, products and staff training, allows us to offer combination treatments, giving infinitely better results." ...
