

**I have really giant pores and people have commented on it a lot. I'm so self conscious about it. Is it possible to shrink them?**

Skincare expert and founder of Skin & Body Renewal, Dr Maureen Allem, responds:

“This is a problem that you have to address from a number of different angles I’m afraid. First things first: You need to get the right treatments to help you deal with the pores and this treatment needs to be two-fold.
