

**Gateway Hospital leads the way**

Gateway Private Hospital is the first tailored, purpose-built surgical hospital in KZN.

The hospital is ideally positioned to meet the growing demand for surgical services in the province.

Boasting 160 beds, consisting of two ICU units, a high care unit and the highest standard patient accommodation in dedicated speciality units, the hospital offers an atmosphere and environment that promotes wellness and rapid recovery. Six state-of-the-art operating theatres are supported as well as a cardiac catheterization lab, each designed and built to meet the unique needs of each surgical discipline, and equipped with the latest technology and instrumentation available.
