

## Skin Renewal - From Small Operation To National Powerhouse

Hlubi and Gareth speak to Skin Renewal founding team Dr Maureen Allem and Victor Snyders, regarding their journey from a tiny, house bound operation to 17 branches across the country – now the largest holistic, anti-ageing solutions company in the country. How did they know when and where to place additional capital? What were key areas they focused on when expanding? Who were the key individuals they invested in? Hlubi and Gareth ask this dynamic duo these questions and more.
